We will schedule 20 min at Teacher Training June 7th to talk about local resources. Nam Kiret Singh will develop a survey to hand out, at T Training, about community needs. We will also have sign-ups for potlucks, BD chant hosting as well as other events.

Bir Kaur will make the changes to our by-laws as decided at the last panj meeting. Voting members will be panj members and wisdom council for now.

We hope Guru Surya will still be our website panj helper.

Panj members would like to be shown more about the website and we are hoping she could train us sometime.

Next panj meeting will be at Ajeet's 7-8pm on a Tues in June. Date to be announced. Each member to think about what our vision is for the future.
