Minutes:

- Tuning In
- Check-Ins
- Sat Nam Rasayan at 6:45 to 8:15pm at Ajeet K's meet the first Sunday of the month.
- GuruSurya's last class at Mandala will be March 18
- There is All Ages / Family class once a month at Mandala with Laurel/Deshpal
- Signa communicated news that Mandala Yoga will be moving to a new space, yet unfound, in March of 2020. She wants to have teacher trainings there; Gong meditations; Sahana; a space for people to hang out other than for classes. She wants people to call her to share visions.
- We discussed the relationship between KYPDX and Mandala and that we need to talk to Signa as a community about what this would look like. We discussed wanting to have a Gurdwara there and that this would be important if Sadhana was held there. Also, we thought there would need to be a kitchen, especially for trainings. Ideally, Mandala could function as a KYPDX community center.
- Sat Nam Studios communicated that there would be no classes there for 6 wks. Until Nam K. returns from her travels.
- October potluck will be at Mehtab Singh's.
- The MPA jetta will be having Friendsgiving on Nov. 23 which is also Guru Nanak's 550th birthday. This will be the November potluck if they agree.
- There will be a New Year's Eve event at Haridass S and Ad Purkh K.'s house. Possibly and Akand Path in connection with that event. Also, possibly an Akand Path at their house in the summer.. Memorial Day weekend?
- We wondered when the 24 hour chant for peace will be this year. Memorial Day? Summer?
- We want to invite current teachers by phone for future potlucks, as well as dues paying members of KYPDX.
- Hardev K and Guru Surya K. will make phone tree for calling teachers about KYPDX events.
- We would like teachers at Mandala {and elsewhere} to mention KYPDX potlucks at their classes.
- We will print flyers with potluck schedule for teachers to share.
- We want to put a blog post on website for Burning Spirits Yoga Studio. Gurucharan will contact owners about writing it.
- We will also talk to Burning Spirits about Studio Rates for advertising on KYPDX.
- We talked about having a date for 50th anniversary of 3HO in PDX (maybe the November Friendsgiving on Nanak's birthday?)
- Level 1 Teacher Training will start in the Fall in PDX. It will be at Awakenings Wellness Ctr. Ajeet K. will host an information night on this coming up.

- We will circulate brochures and flyers for White Tantric Yoga in Seattle. Register by mid-April
